Alphabet Poetry Instruction

Fill in the blanks and highlight specified words.

1. Use _____ words in alphabetical order plus the title. (Example has 10 + title)
2. Must have a _____. Capitalize the title.
3. _____ rhyme.
4. _____ your poem using 1 fun font style and 1 font size for your entire poem.
5. The 1st word on each line should be capitalized. Some fonts have variation on capitalization with capital letters used in the middle of words, which is fine to use in fun poetry. Stay consistent within the selected font.
6. Keep the font size and style easy to read, but with the entire poem taking no more than 1 page.
7. Can skip letters in the alphabet.
8. Do not use commas at the end of each line. ("Experts" debate how to punctuate poetry. For now, limit punctuation because short-lined poetry is messy with too much punctuation.)
9. If using something that has 2 words, each set of 2 words counts for 1 word such as sea lion.

Select 1 category. If an animal category is chosen, only 2 of the same animals from this lesson may be used.
