In each paragraph written for independent work, students will be required to circle the 3 best adjectives, which come before nouns, every week.

TP 1 (WS 3 from lesson 1 which should be stored under the Checklist tab)

Lessons 1 – 5

- Write synonyms in the chart for possible replacements to use in the following practice.
- Using synonyms found for the original words, look up some of the synonyms in the thesaurus, looking for other words that could be substituted. (File WS 1 behind the “Word Lists” tab.)

The following words may be used in paragraphs, but will not count for required quality adjectives.

- **Number words** (few, many, several, and one, two, three, four...)
- **Basic color words**: (red, blue, green, yellow, orange, and purple, brown, black and white)

Students will be writing a how-to/sequence paragraph later for this lesson. The following words work well in this type of paragraph, giving a variety of words to begin sentences that help maintain sequential order.

Use words from the Order Words chart to begin some sentences when writing paragraphs.
(File: “Word Lists” tab.)

Order Words WS 3 / TP 4			
After	Finally	Moreover	Shortly
After that	First	Next	Similarly
Again	Following	Next to	Soon
At first	Further	North	South
At the same time	Furthermore	On top of	Slowly
Before	Hurriedly	Presently	Then
Besides	In addition	Promptly	Third

Equally important	In the first place	Right	West
Farthest from	Left	Second	When

Practice: Return to WS 2 / TP 3 and add order words from WS 3 / TP 4 to begin each sentence using different order words each time.

General comma rules: Some order words/phrases should be followed by a comma, and some should not. (*Do not deduct points for commas after or not after order words when grading.*)

- If a pause is needed for the sentence to make sense, then add a comma after the order word(s).
- Prepositional phrases are typically not followed by a comma.
- 'Ly adverbs are usually followed by a comma.

5. Paragraph Organization WS 4, 5 (TP 5, 6) (Assignment Segments 2 & 3)

How to paragraphs are also called Sequential Order Paragraphs. These basic paragraphs develop and stress the simple skill of keeping information in a logical order.

Together: Write an example Paragraph Organization for how to make a P B & J:

Topic: How to make a PB&J – Paragraph Organization

Question – “How do you make a peanut butter and jelly sandwich?”

Fill in the steps on how to make a PB&J on WS 4 / TP 5 using the example TP 6 as a guide.

- Following is an example Paragraph Organization to be used as a guide. Fill-in WS 4 / TP 5 with student’s original information as much as possible. Talk through the steps, giving guidance, organizing the necessary steps. Add a little extra in the description, such as cutting the sandwich into a rocket shape.
- The highlighting as marked in this example is explained in the following section (section 8).

WS 4 / TP 5
Paragraph Organization (<i>Example</i>) TP 6
1. State your topic question about topic. <u>How to make a PB&J – How do you make a peanut butter and jelly sandwich?</u>
2. State your point of view. Your point of view is your opinion about your topic. <u>What makes them special? Delicious when made by someone special.</u>
3. State your audience. (Who are you explaining to in your paragraph?) <u>a 3-year-old – preschooler</u>
4. Brainstorming:
(Pink) Topic: making a PB&J
(Pink) Opinion: PB&J are the most delicious sandwiches when made by someone special
1. (Blue) Supplies – Get out the supplies – Knife, bread, peanut butter, jelly, plate, napkin

5. (Green) Cut in half or make rocket shaped or moon shaped or even a star.
6. (Orange) Clean up mess. Do not want to leave mess for mother.
7. (Pink) Final opinion: Eat and enjoy best ever PB&J.

6. Highlighting **WS 4, 5 again (TP 5, 6)** (*Assignment Segments 2 & 3*)

Together: Organize information on the Paragraph Organization brainstorm WS 4 / TP 5 by highlighting the brainstorm according to the following instructions. Use Paragraph Organization TP 6 as a guide.

1. Introduction will state topic and your opinion about what you are going to do. (**Pink**)
 2. Support A: What supplies do you need? 1st step (**Blue**)
Knife, bread, peanut butter, jelly, plate...
 3. Supports B, C, and D: What other steps do you need to take? (**Yellow**) 2nd, (**Green**) 3rd & (**Orange**) 4th
 - Highlight, explaining how some sections with similar information need to be combined into 1 support.
 - They will still have 4 supports A (blue), B (yellow), C (green), and D (orange).
 4. Conclusion will restate the topic and state a concluding opinion. (**Pink**)
- Include “Order Words” from WS 3 / TP 4 in the Block Outline so students remember to include them in their paragraphs.
- Information will be taken from the Block Outline for writing the paragraph.
- Limit each paragraph to 6 – 10 sentences, but the paragraphs must be 100 – 230 words long.

WS 5 will be used for the other paragraph for independent work.

- Only highlight the pink for the introduction and conclusion until after the brainstorm is complete.
- Then, highlight the rest of the brainstorm using the highlighting to show what information is combined.

7. Review Paragraph Outline WS 6, 7 (TP 7) (*Assignment Segments 2 & 3*)

Teaching reminders:

- Each paragraph must be **at least 6 sentences long**, with 100 – 230 words per paragraph.
- The supports for the outline are the different steps to be taken for a how-to paragraph.

Together: Fill in the blanks on WS 6 from TP 6, which is the Basic How-to Paragraph Outline in Block Outline form. Highlight block outlines WS 6, 7 / TP 7. (*Highlight all block outlines in this lesson.*)

Basic How-to Paragraph Outline WS 6, 7 / TP 7

- | | |
|-----|---|
| I. | <u>Introductory Sentence</u> – State topic & point of view (opinion) (pink) |
| A. | Main Support Idea – <u>1st step</u> (blue) |

8. Example Outline **WS 7 (TP 7, 8)** (*Assignment Segments 2 & 3*)

Students are to write a P B & J outline on the top of WS 7, while the teacher writes the P B & J outline on the bottom of TP 7. The information should be taken from the P B & J Paragraph Organization WS 4 / TP 5, and should be similar to the Example P B & J Outline TP 8. Use order words to start the sentences even on the outline to stress the importance of using different words to begin each sentence.

Example P B & J Outline TP 7, 8

- I. **(Pink)** PB&J are the most delicious sandwiches when made by someone special
 - A. **(Blue)** First, get out the supplies – Knife, bread, peanut butter, jelly, plate, napkin
 - B. **(Yellow)** Next, spread the peanut butter on 1 side of 1 piece of bread, then on 1 side of the other piece of bread spread the jelly.
 - C. **(Green)** After that, put the bread together with the jelly & peanut butter facing each other, cutting it in half or make rocket or moon shaped or even a star.
 - D. **(Orange)** Finally, clean up mess. Do not want to leave mess for mother.
- II. **(Pink)** Eat and enjoy best ever PB&J.

9. Example Paragraph (TP 8) *(Assignment Segments 2 & 3)*

Read and highlight the following paragraph, showing a how-to paragraph which is taken from the example brainstorm and outline, for how to make a P B & J. Students will write their own version from the outline WS 8.

Students are required to circle at least 3 quality **adjectives** which come before a *noun or nouns* in each of their independent work paragraphs.

(Adjectives can be used correctly in other parts of sentences besides in front of nouns. In order to encourage student's writing to become more descriptive, the focus in Paragraph Writing is to use adjectives that come before a noun.)

In the following example paragraph: Circle the descriptive **adjectives** and underline the nouns that follow the adjectives on TP 8.

- Better-quality adjectives add description giving an enhanced picture of an activity.
- Adjectives may be used more than 1 time, but only count 1 time for a quality adjective.

Best Ever Sandwich TP 8

(**Pink**) PB&Js are the most **delicious** sandwiches, especially when made by someone who knows what they are doing. (**Blue**) First, get out the supplies. A knife, two pieces of **whole wheat** bread, **creamy** peanut butter, **strawberry** jelly, a **paper** plate, and a napkin are the **main** items necessary. (**Yellow**) Next, spread the **smooth** peanut butter on one side of a piece of bread and then, on one side of the other piece of bread, spread the delicious jelly. Cleaning fingers with the tongue is usually needed at this point. (**Green**) After that, carefully smash the bread together with the jelly and peanut butter facing each other. Promptly, cut the sandwich in half or make it **rocket** shaped, **moon** shaped or even a star. (**Orange**) Remember to clean up the mess instead of leaving it for Mom. (**Pink**) The sandwich will taste superb, so eat and enjoy the best ever PB&J. (149)

At the end of these instructions file WS 4, 5, 6, and 7 behind the “Assignment” tab or in the notebook front pocket for future reference when completing this assignment.

10. Descriptive Poetry WS 8 (TP 9, 10) (Assignment Segment 4)

Descriptive Poetry WS 8 / TP 9

Peaceful Waves

Baking Sleepers

Steaming Sunburn

Picturesque Umbrellas

Colorful Towels

Practice topic **together**: mountains

Fill in the chart **TP 10** or make a chart on the **white board** with 2 columns like the chart. Students should make the chart on notebook paper. The chart is for brainstorming. Their final copy for their independent work should be typed, centered and neat.

1. Select a topic – a place or location. (mountains)
2. List **nouns** associated with the topic place, which are based on the 5 senses: see, hear, taste, touch, & smell. **Ask: What do you see, hear, taste, smell and touch or feel in the mountains?** All of the senses do not have to be used. The senses are to help with the brainstorming, not limit it. Write down whatever comes to mind and then look up the words in the thesaurus to find specific items that are more descriptive. List the answers as the nouns.
3. List adjectives – which one, what kind, & how many words to describe the listed nouns. List adjectives that describe the items associated with the topic. Which one? What kind? How many? Write down whatever comes to mind and then look up the words in the thesaurus to find better adjectives.
4. Organize the adjectives and nouns into pairs in a pleasing order. The adjective must come 1st and the noun must come 2nd in every line.

Practice Topic – Mountains TP 10	
Adjectives (which one, <u>what kind</u> , how many)	Nouns (persons, places, or things found at the place describing)

At the end of these instructions file WS 8 behind the “Assignment” tab or in the notebook front pocket for future reference when completing this assignment.
